

FRIENDS OF THE SOLENT SCHOOLS

30 September 2025

Hello all,

The FSS is pleased to announce that today your child is bringing home the proof for their very own Christmas card design! This year, each design is completely different as the design process was child-led, meaning that the children's cards are as special and unique as they are. We had a brilliant time looking through their designs as we packaged them up to send off and think you should all be really proud of your little artists!

If you would like to order some cards, Wrapping Paper, Tea Towels, Mugs, Bags, Coasters or any of the other special additions to the shop this year please follow the instructions very carefully and make sure you **hang onto your proof** as the unique code is essential for any further orders.

The **online shop is now open** so have a browse!

In order to qualify for **free postage** direct to the school, your order needs to be completed by **13/10/25**. Buying early not only gives the school more commission (thank you very much!) but it also helps to spread the cost of Christmas.

PLEASE PLEASE double check all spellings of your child's name as once this has been approved it cannot be changed.

If you have any problems please come and chat to one of the FSS committee on the playground, or email us as FSS@thesolentschools.org or contact us via our Facebook page www.facebook.com/the.fss.charity or Instagram www.instagram.com/the.fss.charity While your on Facebook or Instagram don't forget to follow us to stay up to date!

Thank you so much for your support and enjoy your purchases!

Kind Regards

The FSS
